Our Mission Statement

The purpose of the WAHSAA is to provide scholarships and awards to seniors in the Weatherly Area High School and to help support and finance worthwhile school activities.

February 2015 Newsletter

Dear alumni member:

I hope this letter finds you warm and cozy during this long winter season.

I am pleased to announce that the Finance Committee has recovered \$24,652.16 from the bankrupt Advanta Corporation. We have now recovered our entire investment of \$146,410.65! This is just amazing work by our Finance Committee under the leadership of Ron Bittner.

Our Lifetime Membership is growing at an incredible rate and I want to thank all those who have considered this option. I would like to thank the board and those in the general membership for helping at the tabling events at the boys and girls varsity basketball games during this season as well as the PTA Winterfest in December. So far the three tabling events have netted us with 16 new members and our overall membership is now at 614, the highest membership we have had in the 23 years of our existence. We have several more tabling events planned through the end of February and are looking to have one at the Weatherly Community Picnic at Eurana Park in August. Anyone interested in helping should contact me for scheduling. Also, any classes having reunions please let me know so I can send brochures to the planning committee. Remember, to become an associate member, all one has to have is an interest in helping the students and faculty in the Weatherly Area School District. Thank you to all those members who have agreed to receive their newsletter by email. We save hundreds of dollars on postage and printing expenses by choosing this option.

Enclosed is the annual membership roster. Please take time and review this important document and inform me of any corrections as soon as possible. Also, use the roster as a tool to reconnect with your fellow alumni. You also may want to consider attending the annual Memorial Day Dinner and General Membership Meeting on May 25th. (More to follow on this in our April Newsletter).

Remember you can view all of our newsletters on the Association's website. The 2015 membership password is WAHSAA95. Also, "Like" us on Facebook and keep up to date with your Association. Photos of the restoration of Mrs. Schwab's Portrait have just been uploaded on the site.

Please enjoy our new QR (Quick Response) Code. Thank you to Sue Ann Gerhard for her work on this project. It's important to keep the Association as up to date as possible. Going forward the QR Code will appear on all alumni correspondence.

The annual Weatherly Community Picnic will be held at Eurana Park on Friday, August 28th from 6:00 p.m. until 10:00 p.m. and Saturday, August 29th, from 1:00 p.m. until 9:00 p.m.

It's with a heavy heart that I announce the deaths of four fellow alumni members: Raymond T. Field, Class of 1950; Joyce A. (Seigendall) Hinkle, Class of 1970; Curtis C. Truver, Class of 1945; and Clyde Dotter, Class of 1969.

If you haven't already done so, please send in your 2015 membership dues. If you can't locate the form, you can print one from the alumni website or you can just send your check and indicate on the memo line "dues" and one will be filled out for you. As always, thank you for your support.

I look forward to our next newsletter in April.

Sincerely,

Todd A. Gimbi, President
Weatherly Area High School Alumni Association
