Our Mission Statement

The purpose of the WAHSAA is to provide scholarships and awards to seniors in the Weatherly Area High School and to help support and finance worthwhile school activities

April, 2014 Newsletter

Dear alumni member:

It's Spring! The long snowy and cold Winter it's finally over.

I would like to thank the family of Anna Raynock for their generous donation of \$10,000 to the scholarship fund. Beginning this year a \$500 scholarship will be awarded to a graduate from Weatherly Area High School who has an interest in furthering their education in the nursing or medical field.

I'm pleased to report that the Association once again donated \$400 to the districts' Read Across America Program. I'm enclosing the article that appeared in the local newspaper and on the Association's Facebook Page.

It won't be long before our annual Memorial Day Dinner is here. Please see the enclosed registration form and order your tickets. If you haven't attended the dinner, I definitely encourage you to do so. Yvonne and her helpers offer a great meal, great fellowship, and a brief informative meeting, as well as a recognition awards segment. The 2014 Recognition Awards will be presented to Betty Boyle, who also served on the Scholarship Committee for 14 years; Lois Holman, who is our oldest (age 100) member; and posthumously to Reid Rahn, with along with Tim Fable got the Association going 22 years ago.

I'm sad to report the loss of two members since our last newsletter, Muriel (Drasher) Barry, Class of 1935 died 08-08-12; and Ethel (Gittens) Richie, Class of 1939 died 01-26-14.

I'd like to welcome Steve Thomson to our webmaster team. Steve recently completed the necessary Joomla training. I'd also like to thank Matt Caccese for all his continued work with the site. If you haven't logged in for a while, please do so and see all the recent updates. Over on our Mailroom Committee I want to thank Marlene West for her years of service as she has decided to retire.

For those who may be interested in what's going on with the Mrs. C. M. Schwab School Building, there is an informative site on Facebook called "Save Our School" so please take a moment and "Like" the page to receive up-to-date information.

The Weatherly Community Library is having a fundraiser and is currently selling raffle tickets for \$50 each. The top prize is a 2014 Dodge Dart or \$10,000 in cash. There are only 1000 raffle tickets being sold. If you're interested send a check to Weatherly Library, 20 Carbon Street Weatherly, PA 18255. Any additional questions you may call (570) 427-5085. Many of our school district students use the Community Library.

I'd like to ask each of you over the next few months, as we gather with family, friends, colleagues, and neighbors to give the enclosed membership application referral form to someone you know who may be interested in joining our outstanding Association. Remember, they can join as a "member" who attended Weatherly School District, or an "associate member" who simply has an interest in helping the students in the school district. Let's continue to grow our fine organization. I would appreciate your support with this easy task.

Just a reminder, if you haven't sent in your 2014 dues, please do so before June 1st. This will save time and money from us sending out late notices. If you need another membership application, you can find it under "forms" on the website or simply mail a check to the Association with "dues" in the memo.

Enjoy your Spring and I hope to see you at the Memorial Day Dinner.

Sincerely,

Todd A. Gimbi, President
Weatherly Area High School Alumni Association

Weatherly Area High School Alumni Association
February 24

The Weatherly Area High School Alumni Association donated \$400 to the annual Read Across America Program to be held on March 3rd in the Weatherly Area School District. Pictured in the presentation of the funds are Todd A. Gimbi, President of WAHSAA, Barbara Sipler, Program Coordinator and Title 1 Teacher; and Sue Ann Gerhard, WAHSAA Treasurer.
