April 2012 Newsletter

Dear WAHSAA member,

As the current year continues to rapidly move along, so has your organization. First, let me inform you of some important changes. Jack Koehler retired March 15th and Tim Frable has announced his retirement as of June 15th. At this time I want to offer heartfelt appreciation for their dedication to the Association since its inception 20 years ago. After much consideration, Alicia Richie-Quinn decided to resign as our President and at a special election held during the March General Membership Meeting I was elected President. Also as part of this special election, Betty Henry was elected Vice-President and Susan Gerhard was elected Treasurer. I have appointed Bette Rambaran Chairman of the Scholarship Program and Celine Gerhart as Chairman of the Board of Directors. Barbara Sipler has joined the Board of Directors. Myra Wolf Hoffman has been appointed Acting Recording Secretary while Yvonne is on a Leave of Absence.

Our new website has been developed and is now live for everyone to view. The site may be accessed at www.weatherlyhighalumni.com. Please take a moment and stop by for a visit. As a member, you are able to access the member's only section by using password WAHSAA92. And don't forget out Facebook page.

Enclosed with this newsletter is the reservation form for our Annual Memorial Day Dinner. I will be recognizing 4 individuals for their longtime commitment and dedication to the Association: Jack Koehler, Tim Frable, Betty Henry and Yvonne Felker.

I want to thank our Finance Committee for their hard work as they now have completed reviewing all of our finances. Also, a thank you goes out to our newly formed mailroom committee for a job well done with our January mailing. In just three hours they had over 500 envelopes prepared and ready for mailing.

Sincerely,

A handwritten signature in blue ink that reads 'Todd A. Gimbi'.

Todd A. Gimbi, President
