### July 2012 Newsletter

Dear WAHSAA member,

What a busy past three months this has been for our Association! The Scholarship Committee selected Matthew John Caccese as this year's \$10,000 Scholarship Winner. The first runner up, The Hugo Paul Memorial Award winner is Karlee Ursta. The other finalists taking home prizes are Jaime Dougherty, Alicia Panzarella, Tiana Genetti, and Crystal Hoffman. This year's Harry and Loretta Allison Award went to Tracy Galada.

Nine students from the high school competed in two different competitions and won state championships. The alumni paid tribute to these students by honoring them in this year's annual Memorial Day Parade. The team members, WASD Engineering Team State Champions Division One and US Army eCybermission Team 9<sup>th</sup> Grade State Champions rode in open convertibles in the Parade.

This year was the 20<sup>th</sup> Annual Memorial Day Dinner which had one of the biggest turnouts ever. 120 dinners were served and a recognition program was held honoring 4 long time members of the Association. Yvonne Felker and Betty Henry were honored for their continuing dedication and Jack Koehler, who retired as Treasurer in March and Tim Frable who retired as the Scholarship Chairperson. Each honoree took home a beautiful Danbury Clock with their name engraved on the front as well as a matching paperweight with the alumni logo engraved on it.

At the June 21<sup>st</sup> General Membership Meeting, the revised By-laws were voted on and approved. The overall structure of the Association will change, giving the Board of Directors the power to make decisions which will affect the running of the Association. You may view the new By-laws on the Association's website. If you do not have access to the website and would like to receive a copy of the new By-laws, simply contact the membership secretary and a copy will be mailed out to you. I would like to take this opportunity to thank the following members who served on the By-laws Committee and spent countless hours completing the revision; Ron Bittner, Richard Hinkle, Myra Wolf Hoffman, and Lori Kimball. I would also like to thank Attorney Daniel Miscavige for providing legal counsel.

I would like to remember Doris (Miller) Polivka who passed away in October, 2011. We just received notification from her family.

Please remember to keep up-to-date by visiting the Association's webpage as well as our Facebook page in order to follow Association activities. Also, great merchandise is available at our online store and your purchases will benefit the Weatherly Area School District and its students.

I want to wish you an enjoyable summer and I look forward to corresponding with you in November.

Sincerely,

Todd A. Gimbi, President

Weatherly Area High School Association
